## Program Overview

Since 2003, the **Kentucky State Loan Repayment Program (KSLRP)** has served as a recruitment and retention tool to reduce primary care workforce shortages in rural and underserved locations throughout the state. Applicants selected to participate in the competitive program are required to commit to working full time (a minimum of 40 hours a week, for a minimum of 45 weeks a year) for two (2) years, providing primary care services at an eligible site in the state. Participants receive tax-free student loan repayment in exchange for their service commitment. Loan repayment offered through the KSLRP is based on a 50/50 match: For every federal dollar provided by the KSLRP, participants must have a 1:1 match from a sponsor source. Sponsors can include the participant's employer at the practice site; private foundations, corporations, community organizations, and/or philanthropies; and, rurally-oriented organizations requesting that their funds be used to support the placement of practitioners in rural areas. Total loan repayment awards range from \$10,000-\$40,000 a year, based on provider type, level of loan indebtedness, and sponsor commitment level.

The **Kentucky Office of Rural Health (KORH)** serves as the administrator for the KSLRP, which is funded through the National Health Service Corps, a federal program administered by the U.S. Department of Health and Human Services, Health Resources and Services Administration, Bureau of Health Workforce. Applicants who are selected to participate in the KSLRP will be required to sign a two (2)-year commitment with the KORH, the University of Kentucky Research Foundation (UKRF), and their employer.

Program applicants — who must be either Physicians, Physician Assistants, Nurse Practitioners, Certified Nurse-Midwives, Registered Nurses, Dentists, Registered Dental Hygienists, Behavioral and Mental Health Specialists (including Physicians, Social Workers, Counselors, Psychologists, Therapists, Nurse Practitioners, Physician Assistants, Psychiatric Nurse Specialists), Alcohol and Substance Abuse Counselors, or Pharmacists — must meet individual eligibility requirements (outlined on Pages 3-4 of this guide). Applicants must also demonstrate a commitment to providing health care services to rural or underserved populations through documented experience and a statement of intent.

Eligible practice sites must be public or non-profit private entities located in a federally-designated Health Professional Shortage Area (HPSA). Additional site eligibility requirements are outlined on Page 7 of this guide.

**For 2018-2019, the KSLRP will competitively award a total of nearly \$400,000 to approximately eighteen (18) participants** who agree to provide primary care services to rural or underserved populations located in a HPSA appropriate for their profession.

## Applicant Eligibility

To be eligible to apply to the Kentucky State Loan Repayment Program (KSLRP), applicants must:

1. Be a U.S. citizen (either U.S. born or naturalized) or U.S. National.
2. Have been trained and licensed to provide direct patient care in one of the program's eligible disciplines and specialties (see Page 5 for a complete listing).
3. Have a current, full, permanent, unencumbered, unrestricted professional license, certificate, or registration in Kentucky in the discipline in which you are applying to serve.
4. Be employed at an eligible KSLRP site, or have accepted an offer of employment at an eligible site where service will begin (and the applicant will begin seeing patients) no later than January 15, 2019.
5. Work in a Health Professional Shortage Area (HPSA) — a Primary Care HPSA, Dental Health HPSA, or Mental Health HPSA — that corresponds to their training and/or discipline. For example, psychiatrists and other mental health providers must serve in a Mental Health HPSA.
6. Practice full time, as defined by a minimum of 40 hours per week for a minimum of 45 weeks per year, providing primary health services at an eligible site.
7. Participate or be eligible to participate as a provider in the Medicare, Medicaid, and Children's Health Insurance Programs, as appropriate.
8. Agree to use KSLRP funds only to repay qualifying educational loans.

KSLRP applicants must also meet the following additional applicant criteria:

***Applicants should have a history of honoring prior legal obligations.***

Applicants will be deemed **ineligible** and will **not** be selected for an award if they have a history of not honoring prior legal obligations, as evidenced by one or more of the following factors:

1. They are in default on any federal payment obligations (e.g., Health Education Assistance Loans, Nursing Student Loans, federal income tax liabilities, Federal Housing Authority loans, etc.) or any non-federal payment obligations (e.g., court-ordered child support payments or state tax liabilities), even if the applicant is currently considered to be in good standing by that creditor.
2. They have had any federal or non-federal debt written off as uncollectible or received a waiver of any federal service or payment obligation.
3. They have breached a prior service obligation to the federal government, a state or local government, or other entity, even if the applicant subsequently satisfied that obligation through service, monetary payment, or other means.

4. They have judgment liens arising from federal debt.

***Applicants should have no existing service obligation nor will they incur any service obligation that would be performed concurrently with, or overlap with, their KSLRP service obligation.***

Applicants who have an outstanding contractual obligation for health professional service to the federal government (e.g., a National Health Service Corps Scholarship or Loan Repayment Program obligation, or a NURSE Corps Loan Repayment Program obligation), a state program (e.g., the Kentucky Osteopathic Medicine Scholarship Program), or other entity will be deemed **ineligible** and will **not** be selected for an award **UNLESS** that obligation will be completely satisfied before the KSLRP contract is signed. *Please note that certain provisions in employment contracts can create a service obligation (e.g., an employer offers a physician a recruitment bonus in return for the physician's agreement to work at that facility for a certain period of time or pay back the bonus).*

**EXCEPTION:** Individuals in the Reserve Component of the U.S. Armed Forces or National Guard are eligible to participate in the KSLRP.

***Applicants should not be currently excluded, debarred, suspended, or disqualified by a federal agency.***

Applicants will be deemed **ineligible** and will **not** be selected for an award if they are currently excluded, debarred, suspended, or disqualified by a federal agency.

## Qualifying and Non-Qualifying Educational Loans

KSLRP participants will receive funding for loan repayment to be applied to the principal, interest, and related expenses of outstanding government (federal, state, or local) and commercial (i.e., private) student loans for undergraduate or graduate education obtained by the participant for school tuition, other reasonable educational expenses, and reasonable living expenses. The educational loans must be obtained prior to the date participants submit their application to the KSLRP.

If KSLRP participants obtain additional educational loans toward another health professions degree that will result in a change in discipline (e.g., a Licensed Professional Counselor obtains a doctorate in clinical psychology), they will need to apply to the KSLRP as a new participant in a subsequent application cycle and will be reviewed competitively against other applicants.

Consolidated or refinanced loans may be considered for repayment as long as they are from a government (federal, state, or local) or private student loan lender and include only qualifying educational loans of the applicant. If an otherwise eligible educational loan is consolidated/refinanced with ineligible (non-qualifying) debt of the applicant, no portion of the consolidated/refinanced loan will be eligible for loan repayment. For loans to remain eligible, participants must keep their eligible educational loans segregated from all other debts. Eligible educational loans consolidated with loans owed by any other person, such as a spouse or child, are ineligible for repayment.

Loans that **do not qualify** for loan repayment include, but are not limited to:

1. Loans for which the applicant incurred a service obligation, which will not be fulfilled before the KSLRP contract is signed.
2. Loans for which the associated documentation cannot identify that the loan was solely applicable to the undergraduate or graduate education of the applicant.
3. Loans not obtained from a government entity or private student loan lending institution. (Most loans made by private foundations to individuals are not eligible for repayment.)
4. Loans that have been repaid in full.
5. Primary Care Loans (<http://www.hrsa.gov/loanscholarships/loans/primarycare.html>).
6. Parent PLUS Loans (made to parents).
7. Personal lines of credit.
8. Loans subject to cancellation.
9. Residency loans.
10. Credit card debt.

## Practice Site Eligibility

Program participants must fulfill their service obligation at an eligible site within the Commonwealth of Kentucky. Eligible practice sites must meet the following criteria:

1. Be a public or non-profit private entity located in and providing health care services within Kentucky. “Non-profit private entity” means an entity which may not lawfully hold or use any part of its net earnings to the benefit of any private shareholder or individual and which does not hold or use its net earnings for that purpose. (42 C.F.R. 62.52). *For-profit health facilities operated by non-profit organizations must follow the same guidelines as all other KSLRP sites.*
2. Be located in a federally-designated Health Professional Shortage Area (HPSA). Medically Underserved Areas or Populations and shortage areas designated by the state **do not qualify**.
3. Accept reimbursement from Medicare, Medicaid, and the Children’s Health Insurance Program, utilize a sliding fee scale, and see all patients regardless of ability to pay.
4. Charge for professional services at the usual and customary prevailing rates.
5. Properly display and advertise their sliding fee scale and their commitment to provide care to patients regardless of ability to pay.

*The following site types are **eligible** to be approved as practice sites for KSLRP participants:*

1. **Federally Qualified Health Centers (FQHCs)**, including Community Health Centers (CHCs), Migrant Health Centers, Homeless Programs, and Public Housing Programs
2. **FQHC Look-A-Likes**
3. **Centers for Medicare & Medicaid Services Certified Rural Health Clinics (RHCs)**
4. **Other Health Facilities**, including Community Outpatient Facilities, Community Mental Health Facilities, State and County Health Department Clinics, Immigration and Customs Enforcement (ICE) Health Service Corps (IHSC), Free Clinics, Mobile Units, School-based Programs, Critical Access Hospitals (CAH) affiliated with a qualified outpatient clinic, Long-term Care Facilities, and State Mental Health Facilities
5. **Correctional or Detention Facilities**, including federal prisons and state prisons
6. **Private Practices (Solo or Group)** [Note: Solo or group practices must be a public or private non-profit entity.]

*The following site types are **not** eligible to be approved as practice sites — even if they are located in a HPSA: for-profit health care facilities, and inpatient hospitals and other inpatient facilities (with the exception of Critical Access Hospitals).*

## **Matching Requirement**

Funding for the KSLRP is provided as a one-to-one (1:1) match, with half of the funding provided through the KORH and the other half of the funding provided by the applicant's sponsor.

Sponsor funding must come from a non-federal source and documentation of source funding must be provided if requested. Examples of sponsors include, but are not limited to:

- a. Employers at practice sites;
- b. Private foundations, corporations, community organizations, and/or philanthropies; and,
- c. Rurally-oriented organizations requesting that their funds be used to support the placement of practitioners in rural areas.

If the applicant's employer is providing the matching funds, the employer must agree that the funds will not be used as a salary offset. And, when agreeing to provide the matching funds, the sponsor may not add additional service obligations to the applicant.

## Additional Program Information

### Contracts

Funding for the KSLRP is awarded through an initial two-year commitment, with additional one-year contracts (extension contracts) available for re-applying participants. Extension contracts must be applied for during each open application window — this year, from September 1 to October 1.

Applicants may be awarded no more than four (4) contract extensions for a total of six (6) years of service with the KSLRP, including the initial 2-year contract period. Applicants who have participated in other NHSC programs provided directly from the NHSC are eligible to participate in the KSLRP for the full six (6) years possible.

### Maximum Award Limits

Program participants are awarded funding in a tiered format, based on their provider type, level of loan indebtedness, and sponsor commitment level. Maximum award amounts are as follows:

	Maximum Annual Award (From KSLRP)	Total Maximum Annual Award (Including Sponsor Match)	Total Loan Repayment (2-year contract, KSLRP and Sponsor)
<b><u>Tier 1</u></b>			
<ul style="list-style-type: none"> <li>• Physicians</li> <li>• Dentists</li> <li>• Pharmacists</li> </ul>	\$20,000	\$40,000	\$80,000
<b><u>Tier 2</u></b>			
<ul style="list-style-type: none"> <li>• Nurse Practitioners</li> <li>• Physician Assistants</li> <li>• Certified Nurse-Midwives</li> <li>• Behavioral and Mental Health Specialists</li> </ul>	\$10,000	\$20,000	\$40,000
<b><u>Tier 3</u></b>			
<ul style="list-style-type: none"> <li>• Registered Nurses</li> <li>• Registered Dental Hygienists</li> <li>• Alcohol and Substance Abuse Counselors</li> </ul>	\$5,000	\$10,000	\$20,000

### Payments to Participants

For participants working under an initial two-year service commitment, sponsor payment is given directly to the participant in the amount of one-half of the sponsor's total obligation by July 15 of each year. The KSLRP payment is given directly to the participant in the amount of one-half of its total obligation by August 31 of each year.

For participants working under extension contracts, sponsor payment is given directly to the participant by July 15. The KSLRP payment is given directly to the participant by August 31.

### **Verification of Payments**

Verification of payments made on loan debt is required periodically throughout the service obligation. Program participants will be asked to submit (1) copies [photo, photocopy, screenshot of direct deposit, etc.] of checks from their sponsor; and, (2) documentation [e.g., a screenshot with timestamp/date and account holder's name] showing that all sponsor funds have been applied to their loan debt and have cleared. In addition, once KSLRP funds have been disbursed, program participants must submit documentation [e.g., a screenshot with timestamp/date and account holder's name] showing that all KSLRP funds have been applied to their loan debt and have cleared. KSLRP payments will not be given to participants until all documentation relating to sponsor payments is provided to the office.

**Payment verification should be submitted to the KORH within 30 days of receiving funds.**

Failure to document that all funds were applied to loan repayment may place a KSLRP participant in default.

### **Breach of Contract**

Participants will be considered in default if they fail to provide primary care services to individuals without discrimination, as defined in this agreement, during the contract time period and at the approved practice site location.

In addition, participants will be considered in default if the loan repayment amounts are not applied toward their eligible loans.

No additional loan repayment will be approved for any participant who defaults.

### **Default Provisions**

The current National Health Service Corps Loan Repayment Program default provision (as amended Oct. 2002 and which governs this contract) is found at 42 U.S.C. 254(c) (1): If [for any reason not specified in subsection (a) of this section or section 254p(d) of this title] an individual breaches the written contract of the individual under section 2541-1 of this title by failing either to begin such individual's service obligation in accordance with section 254m or 254n of this title or to complete such service obligation, the UKRF shall be entitled to recover from the individual an amount equal to the sum of the following:

- i. the amount of the loan repayments paid to the participant representing any period of obligated service *not* completed;
- i. an amount equal to the product of the number of months of obligated service that were *not* completed by the individual, multiplied by \$7,500; and,
- ii. the interest on the above amounts at the maximum legal prevailing rate, as determined by the Treasurer of the United States, from the date of the breach.

The amount the UKRF is entitled to recover shall not be less than \$31,000.

## Application Components

All application forms for the Kentucky State Loan Repayment Program can be found online at: <http://www.kyruralhealth.org/KSLRP>.

All applications **must be typed**; handwritten applications will not be accepted. (Please note that required signatures must be handwritten or digitally signed.)

Completed application packets — which must be saved as a single PDF file (with the following filename format: ApplicantLastName\_KSLRP2018) — must contain all of the following documents (in this order):

**A) Provider Application (New or Extension)**

A Provider Application to be completed and signed by the applicant.

**B) Site Application**

A Site Application to be completed and signed by officials (Executive Director, CEO, or other legal representative) at the applicant's practice site.

**C) Sponsor Application (If necessary)**

A Sponsor Application is only required in the instance that the applicant's employer will not serve as the sponsoring entity. It must be signed by the appropriate officials.

**D) Loan Verification Form(s) and Additional Documentation**

A Loan Verification Form must be completed listing the lending institution and loan balance of each eligible student loan that the applicant is seeking repayment for through the KSLRP.

Additional copies of the form may be needed. [Note: Only complete the "Total Loan Balance Due" box on the final page of your Loan Verification Form(s).] Application packets must also include additional documentation of loans — in the form of a screenshot or other digital printout which shows the applicant's name, a timestamp, and the total loan balance — for each of the loans recorded on the Loan Verification Form(s). This documentation must be no older than 30 days prior to the date of the KSLRP application.

Once assembled, the single PDF file should be submitted electronically to the Kentucky State Loan Repayment Program at KSLRP@uky.edu. **All applications must be received electronically by 5 p.m. Eastern Standard Time (4 p.m. Central Standard Time) on Monday, October 1, 2018.**
