ASSURANCES

The Executive Director/CEO of the practice site or its parent organization (or a legal representative) should indicate applicable assurances by typing his/her initials at each prompt below.

Site must charge for professional services all the usual and customary prevailing rates in the area in which such services are provided, except that if a person is unable to pay such charge such person shall be charged at a reduced rate (i.e. discounted sliding fee scale or not charged a fee).

Site must provide primary care health services to any individual seeking care, SLRP participants must agree not to discriminate on the basis of a patient's ability to pay for such care or on the basis that payment for such care will be made pursuant to Medicare (established in Title XVII of the Social Security Act), or Medicaid (Title XIX of such Act), or the State Children's Health Insurance (Title XXI of such Act).

Site must agree to:

- A. Accept assignment under Medicare (section 1842(b)(3)(B)(ii) of the Social Security Act) for all services for which payment may be made under Part B of Title XVIII;
- B. Enter into appropriate agreement with the State agency that administers the State plan for medical assistance under Title XIX to provide services to individuals entitled to medical assistance under the plan; and
- C. Enter into an appropriate agreement with the State Children's Health Insurance Program to provide service to children under Title XXI.

Site must assure that the salaries for health professionals participating in the SLRP are based on prevailing rates in the area and that the SLRP contracts are not being used as a salary offset.

SPONSORSHIP

Does your organization intend to act as the Sponsor for the health care provider applying to the Kentucky State Loan Repayment Program? Yes No

If Yes, what is the organization's Total Sponsorship Commitment? (Annual Commitment x 2 years)

WRITTEN RESPONSE

Respond to the following prompt in 200-300 words:

In what ways will this health care professional (KSLRP applicant) impact your facility and the population being served? How will the addition of this professional to the facility's staff (or the continued employment of this professional, if they are already employed there) meet the needs of your site and benefit the patients and the community that they will be serving?
